

**324 Port Rd, Hindmarsh**

## UNDER CONTRACT

A fantastic commercial opportunity located on Adelaide's western gateway with all the benefits that came from the Port Road/ South Road upgrade (i.e. The Torrens Road to River Torrens Project, DPTI) including free-flowing road traffic, middle lane car parking and an increase in pedestrian traffic.

Zoned within a flexible Suburban Activity Centre (Z5705) that encourages "an impressive, active and attractive frontage to Port Road and the maximization of pedestrian access and amenity", its immediate surroundings are retail shops, cafés, restaurants, take-away shops, offices, pubs and medical centres as well as Adelaide's iconic Entertainment Centre and City Tram Line just 2 minutes' walk.

Note: This property is not walk-in ready and requires some works. The rear portion of the building is not considered feasible for repair and is recommended to be demolished while the original front section (solid brick construction) can be renovated to suit your specific use.

With 6.1 full glass frontage to Port Road and no set back, there is a massive scope to develop and build at the rear of the property and maximise the use of the land.

Features of the property include:
