The original layout of large proportions and character was purpose built to provide comfort and convenience without compromise to maintaining the cultural traditions that required a second kitchen, used more often than the main kitchen, and direct access to the better-block food & wine storage shed and a well-ventilated underground cellar. The home also enjoys year-round comfort with ducted reverse cycle A/C, gas heating and access to 3-phase power which is efficiently powered by the north-facing 6KW Solar Panel system.

Features of the home include:

- Three well-sized bedrooms, the main with walk-in-robe and updated private ensuite with bath and shower.
- Separate family, living and dining areas
- Kitchen with timber cupboards and benchtop with servery overlooking the dining area
- Common tiled bathroom with shower and vanity and separate w/c
- Double garage with direct access to the second kitchen and easily converted to a studio or study room.
- Food and wine better block storage shed featuring an underground cellar vented for maximum air flow.
- Backyard undercover pitched-roof veranda, lawn area, veggie garden with nutrients rich soil and an additional storage shed.

Conveniently located just a short walk to Newton Village Shopping Centre and public transport stops on Stradbroke Road and Montacute Road, there is also an abundance of quality primary and secondary schools to choose from.

Set on the base of the Adelaide Hills, Athelstone has access to the best nature reserves like **Black Hill Conservation Park** and **Morialta Conservation Park**. It's easy to understand why Athelstone has experienced such high growth and will continue to.
